America’s Health Insurance Plans (AHIP) is the national association whose members provide insurance coverage for health care and related services to millions of Americans every day. Through these offerings, we improve and protect the health and financial security of consumers, families, businesses, communities and the nation. We are committed to market-based solutions and public-private partnerships that improve affordability, value, access and well-being for consumers.

Accident & Health Business Markets represented by AHIP in the United States:
- Major Medical
- Medicaid
- Medicare Advantage
- Medicare Supplemental Insurance (Medigap)
- Supplemental Health
- Long-Term Care
- Disability Income Insurance
- Dental
- Vision
We will shape and drive market-based solutions and public policy strategies to improve health, affordability and financial security by:

- Promoting consumer choice and market competition
- Simplifying the health care experience for individuals and families
- Supporting constructive partnerships with all levels of government
- Partnering with health care providers on the journey from volume to value
- Addressing the burden of chronic disease and social factors that impact health
- Pursuing the promise of clinical innovations while ensuring value
- Harnessing data and technology to drive quality, efficiency and consumer satisfaction
AHIP 2017 Priorities
